This survey will provide PUPR Academic Administration information to improve the students' level of satisfaction with the College of Engineering and Geomatic Sciences Laboratory Equipment. The results will help us plan future lab equipment acquisitions. Thank you for your cooperation.

Date: (mm/dd/yy) [ ] [ ] [ ]

O Student O Faculty O Administration

Lab Course Code: [ ] [ ] [ ]

Lab Room Location: [ ] [ ] [ ]

MA- Main PV- Pavillion
LB- Laboratory Building MP- Multipurpose

Academic Program:
O Chemical Engineering
O Civil Engineering
O Computer Engineering
O Computer Science
O Electrical Engineering
O Environmental Engineering
O Industrial Engineering
O Land Surveying and Mapping
O Mechanical Engineering

Indicate whether you are:

Please rate your level of satisfaction associated with this lab facility for this course using the statements and the rating scale shown below.

4= Very Satisfied 3= Satisfied 2= Disatisfied 1= Very Disatisfied 0 (DK)= Do not Know

Part I
Degree of Equipment Adequacy

1. The equipment is adequate to comply with all the topics listed in the laboratory course syllabus. O 4 O 3 O 2 O 1 O 0

2. The equipment is sufficient to comply with the objectives of the laboratory course syllabus. O 4 O 3 O 2 O 1 O 0

3. To the best of my knowledge the equipment is modern and up to date. O 4 O 3 O 2 O 1 O 0

4. The equipment is adequate to work comfortably individually or in groups. O 4 O 3 O 2 O 1 O 0

Part II
Degree of learning satisfaction

Please, rate your level of satisfaction with what you learned in this laboratory.

5. I had the opportunity to gain hands on experience with almost all the equipment available in the room. O 4 O 3 O 2 O 1 O 0

6. The instructor emphasized the need to calibrate all the instrumentation used according to the equipment manufacturer manuals. O 4 O 3 O 2 O 1 O 0
7. The Instructor made emphasis on the importance of gathering reliable data, that is, statistically valid................................................................. O 4

8. I developed the ability to design and conduct experiments in this laboratory................................................................. O 4

9. I develop the ability to analyze and interpret the data gathered......... O 4

10. I feel confident the time and money I invested in this laboratory course is very valuable................................................................. O 4

Part III
Overall satisfaction

11. Overall level of satisfaction with the laboratory equipment and facilities................................................................. O 4

12. Overall level of satisfaction with the learning experience............... O 4
